KOLLIN ROY KING

CASE NUMBER: 07-M-2

COUNT I

Beginning in or about December 2005 and continuing through to February 1, 2007, in the Western District of New York, the defendant, KOLLIN ROY KING, did, using a means of interstate or foreign commerce, namely the Internet, knowingly attempt to persuade, induce, entice, or coerce an individual who had not attained the age of 18 years to engage in sexual activity for which any person may be charged with a criminal offense, in violation of Title 18, United States Code, Section 2422(b).

I further state that I am a Special Agent with the Federal Bureau of Investigation. This complaint is based upon the facts set forth in the attached affidavit, which is made a part hereof.

Sworn to before me this

H. Kenneth Schroeder, Jr.
HONORABLE H. KENNETH SCHROEDER, JR.
UNITED STATES MAGISTRATE JUDGE

AFFIDAVIT OF MICHAEL A. SHAFFER

I, Michael A. Shaffer, having been first duly sworn, do hereby depose and state as follows:

1. I am a Special Agent of the Federal Bureau of Investigation (FBI) and have been so employed since September 2002. I am currently assigned to the Buffalo Field Office Innocent Images National Initiative which targets individuals involved in the on-line sexual exploitation of children.

2. I make this affidavit in support of a criminal complaint charging KOLLIN ROY KING with violating Title 18, United States Code, Section 2422(b) which in pertinent part states:

"Whoever, using the mail or any facility or means of interstate or foreign commerce, knowingly persuades, induces, entices, or coerces any individual who has not attained the age of 18 years, to engage in prostitution or any sexual activity for which any person can be charged with a criminal offense, or attempts to do so"

The statements contained in this affidavit are based on information provided by Agents of the FBI, police officers of the Cheektowaga Police Department and upon my training and experience as a Special Agent of the FBI. Because this affidavit is being submitted for the limited purpose of securing a criminal complaint, I have not included each and every fact known to me concerning this investigation.

3. On December 7, 2005, your affiant, Special Agent (SA) Michael A. Shaffer of the Buffalo Field Office of the FBI, while acting in an undercover capacity on the Internet, received an unsolicited instant message from the America Online Instant Messenger (AIM) screen name FreakJ65. During the ensuing conversation, it was established that your affiant was a 14 year old male from Buffalo, New York, and that FreakJ65 was a 25 year old male from Hamburg, New York. Throughout the conversation your affiant and FreakJ65 engaged in sexually explicit conversation. FreakJ65 requested a photograph of your affiant. In response, your affiant directed FreakJ65 to an Internet site containing a photograph of a current FBI Agent when he was a teenager. Also during this conversation, FreakJ65 stated that he drives a Jeep Cherokee. For the subsequent 13 months, your affiant has had several more instant message conversations with FreakJ65. During the subsequent conversations, FreakJ65 repeatedly requested a meeting for the purpose of engaging in sexually explicit conduct with your affiant's persona. The requests included FreakJ65 performing oral sex, anal sex, and fondling, with your affiant's persona.

4. On January 30, 2007, your affiant, while acting in an undercover capacity on the Internet received an unsolicited instant message from the AIM screen name sk8trboiwny. During the ensuing

conversation, sk8trboiwny told your affiant, "hey yeah sry its kyle... u no freakj65". Subsequently, your affiant also spoke with the same individual under the AIM screen name FreakJ65. Again, FreakJ65 expressed and interest in meeting your affiant's persona for sexual activity. Ultimately, FreakJ65 and your affiant's persona agreed to meet at a restaurant in Cheektowaga, New York, on February 1, 2007 at 8:30 p.m. FreakJ65 attempted to convince your affiant's persona to bring his fictitious 12 year old friend for a "threesome". In response, your affiant's persona agreed to "try" to convince his friend to join the sexual activity. Attached hereto as Exhibit 1 are the January 30, 2007 conversations with FreakJ65 and sk8trboiwny.

5. On January 31, 2007, a subpoena was issued to America Online (AOL) requesting the IP address used to connect to the AIM screen names FreakJ65 and sk8trboiwny on January 30, 2007 at the time of the previously described instant message conversation. AOL reported that the IP address used to connect to the AIM screen names FreakJ65 and sk8trboiwny at the time in question was 67.20.230.189. The IP address, 67.20.230.189 is owned by Time Warner Cable. A second subpoena was issued to Time Warner Cable for the subscriber who was using the IP address 67.20.230.189 at the date and time of the conversation. Time Warner Cable reported the following subscriber information:

Service Address: Kollin King
4591 Southwestern Blvd, Apt B6
Hamburg, New York

Billing Address: Kollin King
4591 Southwestern Blvd, Apt B6
Hamburg, New York

Phone: 716-649-4170
Acct Number: 1610-438782-6
Email address: krking@adelphia.net
SS# form Billing: xxx-xx-1310

6. A search of the New York State Department of Motor Vehicles database revealed that a 2000 Jeep Cherokee Sport is registered to Kollin King of 4591 Southwestern Blvd, Apt B6, Hamburg, New York. This information corroborates the statement made by FreakJ65 during the conversation on December 7, 2005.

7. On February 1, 2007 at approximately 8:30 p.m., your affiant, while acting in an undercover capacity on the Internet had a instant message conversation with the AIM screen name FreakJ65. During the conversation, FreakJ65 rescheduled the meeting from 8:30 p.m. to 9:00 p.m. At approximately 9:00 p.m., Kollin King arrived at the restaurant driving a 2000 Jeep Cherokee Sport and was taken into custody.

8. King was transported to the Buffalo Field Office of the FBI. During transport, King was presented with an advise of rights form which was read aloud to him as he followed along. King stated

that he understood his rights. At the office, King signed the waiver of his rights and agreed to speak with the interviewing Agents.

9. King admitted to being the user of the screen names FreakJ65 and sk8trboiwny. King reviewed the chat logs of the conversations between your affiant's persona and FreakJ65 and admitted to being the author of said chats. When asked what he would have done if he had met two minor boys instead of FBI Agents, King replied, "I hope nothing would have happened."

10. King stated that he had, on two other occasions, using the Internet, arranged to meet minors for sexual activity but when he arrived at the meet location either the minors did not show or the meet location turned out to be fictitious.

11. King further admitted to meeting a 16 year old boy on the Internet. During the summer of 2005, King admitted to a rendezvous with the boy in a park where the two masturbated and performed oral sex on each other. In the fall of 2006, King picked up the boy and brought him to his apartment where the two masturbated and performed oral sex on each other. King denied having any inappropriate contact with any of his students or members of his cub scout den.

12. Based on the above information, there is probable cause to believe that Kollin Roy King knowingly attempted to persuade, induce, entice, or coerce an individual who had not attained the age of 18 to engage in sexual activity for which a person can be charged with a criminal offense, using a means of interstate commerce, namely, the Internet, in violation of Title 18, United States Code, Section 2422(b).
